

Austin Diaper Bank Bash

Saturday, September 25, 2021

Join us for an evening of celebration as we come together to support families and babies in Central Texas

The Austin Diaper Bank supports over 25,000 families each year by providing diapers for babies, and adults and period supplies in Central Texas.

The Austin Diaper Bank has been a lifeline for families living in poverty and who have been affected by the COVID-19 pandemic. **More than 40,000 families in our community struggle to afford diapers each month for their children.** Without access to diapers, families use paper towels, t-shirts and re-use disposable diapers, which can lead to painful diaper rash, urinary tract infections and even child abuse. Our mission is to help provide diapers and basic needs for these families so they can live healthy and dignified lives.

On Saturday, September 25th we will host our Annual Fundraiser at the chic and beautiful new Junior League of Austin's Community Impact Center. This event is expected to draw over 250 donors, business leaders and philanthropists who support the mission of the Austin Diaper Bank and helping our community. All sponsorships are tax deductible and go to support families who need help with diapers and wipes in Central Texas.

We know that diapers, change lives and with your help we are changing the lives of Central Texas families for the better. Thank you for joining our community of supporters and friends.
